"THINKING FORWARD AND JUST DO IT"

COMPANY PROFILE

COMPANY PROFILE

Established in 2014, MH Island Solution based in Malaysia and wholly owned by Bumiputra. MH Island Solution is a business technology company that provides end-to-end solution with professional services to our corporate customers. We offer infrastructure and business solution as a system integrator and a solution provider; continuously helping our customers to manage, protect and grow their business. We design and develop services for customers of all sizes, specializing in creating stylish, modern websites, web services and online stores. Over the last few years we've made a reputation for building websites that look great and are easy-to-use.

As we are fully aware of the importance of digital media marketing for businesses in both good and bad economic climates alike, a dedicated team of account managers is assigned to cater to the needs of each individual client to ensure consistent, streamlined and efficient communication. In line with the principles of transparent and ethical internet marketing techniques, the data we use to design marketing strategies are accessible by clients.

In addition, together with our strategic alliances, extending our reliability, knowledge, capability and experience in ensuring our customers are staying ahead in the market.

WHY ARE WE DIFFERENT ?

We aligned our business with what we believe in
"Thinking Forward and Just Do It"
based on our added values: -

TOTAL CUSTOMER SATISFACTION

We are committed and focused to our customer's needs, by providing an outstanding and professional service in achieving the highest level possible of customers' satisfaction.

ASSURED QUALITY WITH ACHIEVER PEOPLE

We believe innovation starts with people = we value our people. This is the key to quality improvement and Alphamatic's growth in establishing our presence in the market; servicing our customers better.

MOVING AHEAD OF TIME

We always take a step forward to achieve our goals, transforming our knowledge, experiences and capability in shifting our vision to the next level in ensuring technology and solutions that matters to our customers.

OUR PHILOSOPHY

We identify best of breed product from leading IT vendors and provide long-term value added services to integrate IT infrastructures for our customers.

UI/UX DESIGN

Focuses on visual communication. We are using typefaces, hierarchy, color, images, and placement to create a visual design. MH Island Solution have assisted many small and medium enterprise (SME) to grow their businesses using websites as a platform to promote their products and services.

MOBILE APPS

A type of application software designed to run on a mobile device, such as a smartphone or tablet computer. Mobile applications frequently serve to provide users with similar services to those accessed on PCs.

WEB DEVELOPER

Responsible for designing, coding and modifying websites, from layout to function and according to a client's specifications. Strive to create visually appealing sites that feature user-friendly design and clear navigation.

SOCIAL MEDIA MANAGEMENT

Social media refers to the process of gaining traffic or attention through social media sites. Social media itself is a catch-all term for sites that may provide radically different social actions. Social media is the popular marketing tool for businesses especially Facebook, Twitter & Instagram. We help you to manage updates, engage with fans and enquiries.

CREATIVE CONTENT

Marketing People like to watch good videos and read informative articles and graphics and share them with their circles. Our team can brainstorm and produce content that excites netizens.

SEARCH ENGINE OPTIMIZATION (SEO)

We provide complete SEO service for new and existing website. From site audit, improvement, keyword monitoring that will bring free traffic and customers to the website.
